SCCTC and Walmart partner to help local families

The Susquehanna County Career & Technology Center has the Christmas spirit! Eighteen local families will have a brighter holiday because of the efforts of the faculty, staff and students of the SCCTC. Wish lists and size information were handed out in early December to the different program areas. Toys and clothing were then donated and purchased to fulfill the needs and wishes of these families. Students helped to wrap presents and organize this undertaking.

Each family will also receive a $100 gift card from Walmart. Dr. Alice M. Davis, Executive Director of the SCCTC noted, “We are so grateful to Walmart of Tunkhannock for helping us with this effort. They generously gave us a 10% discount on the gifts cards.”

Forty-nine children and 26 adults will receive gifts this year in part because of the students’ willingness to help. Dr. Davis emphasized, “I am so proud of our students’ kindness and generosity. They consistently go above and beyond in school and in the community.”
