The current and projected demand for welders is VERY HIGH!!!

Course is designed for students with little or no welding experience or experienced welders to refine and improve their skills

120 Hour Condensed Entry Level Welding Program
(includes AWS D1.1 Structural Welding Certification Testing)

June 20 to July 13, 2016

Monday thru Friday 8:00 a.m. to 3:30 p.m.

Tuition $1800.00

Instruction will be provided by an American Welding Society Certified Welding Inspector with over 40 years of welding experience. Individual instruction tailored to student needs. Students will develop their skills through guided practice, demonstrations and theory. Practice welding qualification tests for AWS D1.1. This test will be administered at the end of the course.

Course Content Covers:

Welding Safety  Welding Theory  Basic Blue Print Reading  Welding Math
SMAW (stick)  GMAW (mig)  FCAW (flux core)  GTAW (tig)
Oxy/Fuel cutting  Oxy/Fuel brazing  Plasma Cutting
